In his letter No. 1016/60 dated 15th August 190 the Inspector General of Police suggests the following alterations in the rules refd to above ; and regarding & endorsing & remarks to notify the opening of the school on 16th Oct

(1) In rule 4 as now sanctioned, the Govt have reserved to themselves the relaxation of the examination qualifications as regards the admission of candidates to the Inspector's Class. The Inspector General states that this power should be vested in him since he is ~~competent~~ a pass from the School he is competent to appoint Inspectors drawing pay

pay up to Rs100 and that a pass from the Training School does not necessarily entitle one to an appointment in the Inspectors class.

2. In rule 5, it is stated "that" a recruit shall not be less than 5 ft. 6 in. in height. The Inspector General suggests on a reconsideration of this former opinion that the minimum height may be fixed at 5 ft. 4½ inches.

No 1016/60

Office of the
Inspector General of Police in Mysore
Dated, Bangalore 15th August 1903.

From,

C. Madiah Esquire, Rao Bahadur,
Inspector General of Police in Mysore.

To,

H. V. Nanjundayya Esquire M.A.M.L.,
Secretary to the Government of H.H.
the Maharaja of Mysore,
General and Revenue Departments,

Sir,

With reference to the Proceedings of Government No: 364-5/J.J 530/03 dated 11th August 03, sanctioning the re-opening of the Head Quarter Police training school I have the honor to state that in rule, No: 4, sanctioned in

does not necessarily entitle one to an appointment in the grade of Inspectors. 4

I further beg to point out that rule No: 5 makes it obligatory that a recruit should be 5ft 6 inches. Though this was so in the draft rules submitted from this office, still, I consider a modification of this is necessary. I therefore request the minimum height may be fixed at 5 ft, 4½ inches.

Early orders may be passed on the subject so that I may be able to notify the opening of the School on the 1st October 1903.

I have the honor to be,
Sir
your most obedient servant,

Inspector General of Police

in connection with the school the Government have reserved to themselves the relaxation of the examination qualification as regards the admission of candidates to the Inspector's class and that this, viewed in the light that the — Inspector General is competent to appoint Inspectors drawing pay up to Rs: 100/-, appears very anamolous. I, therefore, see no reason why the authority to relax the rules in case of deserving candidates for admission to the Inspector's class also should not vest in the Inspector General of Police since a pass from the Training School
